

CAPABILITY STATEMENT

ABOUT US

QMax Clean Services is a nationwide provider of specialized cleaning and contagion prevention services. We help residential and commercial customers maintain a safe and healthy environment with our state-of-the-art services. With a commitment to using the latest technology and techniques in the industry, we specialize in both general and intensive cleaning services.

Our services include decontamination procedures, deep cleaning, sanitization, surface disinfection, abatement, high-level disinfection, water damage control, and waste removal. Our team of experts is committed to providing superior results while using eco-friendly and sustainable products. We are committed to delivering a high standard of service with a focus on safety, quality, and customer satisfaction.

Leveraging decades of experience in the industry, our team of highly trained and certified technicians are dedicated to providing superior services and meeting our clients' needs. We are also adept in using specialized equipment for large-scale residential cleaning projects to ensure quality results. QMax Clean Services is focused on providing customers with expert services that exceed even their greatest expectations.
